Good afternoon Rafael,

I was just notified that this job didn't end up getting worked in December and they're wanting to work it on 1/9. Not sure if you'd be able to do one more extension though 1/31/24 or if we can submit and get approval before you receive the payment. Please advise.

Thanks,

Good morning Rafel,

This job was just rescheduled to the week of 12/4. If possible I'd like to request one more extension through 12/31/23. I know this would be the second one but I don't think we'd be able to get a payment to you in time if we were to re-apply.
